

*As a hydrologist, study how you use water in your home. Keep a diary of how you use water each day: to wash, drink, water plants or other ways. After you have kept track of how you used water for one week, write or draw how you used water in this chart.*

Day of the Week	How did you use water today?
Sunday	
Monday	
Tuesday	
Wednesday	
Thursday	
Friday	
Saturday	

**Drinking Water  
Week 2012**

**American Water Works  
Association**
