In accordance with City of Avondale Resolution #1177-306 and Section 903.2.2 of the 2003 International Fire Code, as amended, I have viewed the fire sprinkler educational materials on the City of Avondale website, in its entirety. I was provided complete information about residential fire sprinklers for my home, including all options and prices. I was offered fire sprinklers as an added fire safety option prior to execution of a sales contract. After careful consideration, I am choosing to
